## **IN THE BREACH**

**By José de Diego**

**Oh unfortunate one, if pain overwhelms you,  
if fatigue numbs your members;  
do as the dry tree: grow green again;  
and as the buried seed: beat.**

**Resurge, breathe, cry, walk, fight,  
vibrate, undulate, thunder, shine....  
Do as the river with the rain: grow !  
and as the sea against the rock: Strike !**

**From the storm to the irate push,  
you are not to bleat, like the sad lamb,  
but roar, like the wild beast roars.**

**Rise ! Gather resolve ! Resist !  
Do as the corralled bull: bellow !  
Or as the bull that bellows not: charge !**
